

Dear Neighbor,

I'm Blake Thompson, Conservative Republican candidate in the November, 2nd election for the House of Delegates, 58th District, representing the citizens of Jefferson County.

The House of Delegates election undoubtedly is the most important election you will participate in for years to come. We need to change the representation of Jefferson County in the State House in Charleston, WV. We need to shape the future of Jefferson County for our children and grandchildren by working together to:

- *Create jobs*
- *Improve, stabilize, and grow the economy*
- *Reduce the size of government and cut taxes*
- *Provide better health care/NOT OBAMACARE*
- *Protect individual property rights*
- *Protect our 2nd Amendment Right to keep and bear arms*
- *Protect our right to work without mandatory unionization*
- *Protect the sanctity of life*
- *Attract new businesses to Jefferson County, but manage the growth as we do*
- *Improve the quality of education*

My campaign is built around the theme: *Using Common Sense to do the Right Thing for the Citizens of the 58th District.*

I will bring a powerful voice to Charleston for the Eastern Panhandle. I will work hard, be present for all sessions, all votes, standing up for all citizens rights and freedoms. I am about *"WE THE PEOPLE"*, not special interests, not my personal interests, nor the interests of Charleston.

I have been endorsed by West Virginians for Life and We the People (Tea Party) and look forward to future endorsements from those who want to make change and do the right thing in Jefferson County.

Please join me in this effort. I need your vote to give a strong voice in the House of Delegates. I need your support to accomplish our goals listed above. I need your vote to get your voices heard.

Respectfully,

Blake Thompson
