The purposes for which funds are needed are to maintain and improve the instructional programs and the operation of school services for the Jefferson County Public Schools as follows:

A. Support for WVU Extension Services to Community and Schools	\$30,000
B. Support for local public libraries	60,000

G. Personnel not funded by the state aide formula (including all related employer taxes and fixed costs), stipends, and local salary contributions	16,255,312
	\$20,095,312

Should any of the purposes, set forth above, be declared unconstitutional or invalid, by judicial or legislative action, the funds will be used for other purposes, set forth above and not affected by the judicial or legislative action.

The Board of Education of the County of Jefferson may reduce the said levy rates in any given year or years during the term of this levy after determining the sufficiency of funds for school purposes for the next school year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional funds may be used either in substitution for, upon a corresponding reduction in the said levy rate and following a determination concerning the sufficiency of funds for school purposes, or in addition to, the funds obtained from the levy.

The Board of Education of Jefferson County is hereby authorized to expend any excess funds raised by the levy rate herein set forth to accommodate growth as follows:

- Personnel (Items E through G) 80% of the excess amount raised
- Board Discretion 20% of the excess amount raised

In the event the levy fails to generate the amount listed above (\$20,095,312) in any fiscal year, the Board of Education of Jefferson County is hereby authorized to reduce the levy funds expended for Items A-G in its sole discretion.

All according to the order of the Board of Education of the County of Jefferson, entered on the 9th day of August, 2010.
